

Consultation on new neighbourhoods

The LLDC and property developer Ballymore have established a partnership to create outstanding communities in Stratford Waterfront and Bridgewater Triangle.

These neighbourhoods will be located in the south of the Park and aim to deliver exemplary design with around 1,200 new homes. 35% of the housing on Stratford Waterfront will be classed as affordable and 50% of housing on Bridgewater will be classed as affordable.

This project aims to be a model for sustainable development in London for the future.

Both projects have been granted 'Outline Planning'

permission, which means the general principles have been agreed.

The projects are now moving into a more detailed design stage, in which 'Reserved Matters' applications are being prepared for the sites. This is a process to agree on the design detail with the Local Planning Authority.

As part of this, there is an opportunity for you to shape the proposals and we would love to hear your thoughts. Our next community engagement event on Stratford Waterfront will be taking place on Saturday 13th May on the Park.

Find out more about the consultation and have your say here: stratfordnewneighbourhoods.com

Get your fingers green at the Mobile Garden

Mobile Garden is a community growing space where local residents, schools and community groups can come and connect with nature in the middle of Hackney Wick. Come and join one of our gardening sessions to learn food growing and garden care.

There are three sessions taking place each week, led by a team of Community Gardeners. The activities are free and suitable for all ages and levels of experience, and include sessions on growing food for people and wildlife and on creating garden infrastructure for biodiversity.

Please wear closed toe shoes and sensible clothes that you don't mind getting mucky. All equipment and tools are provided (shoes are not provided). The site is wheelchair accessible.

The Great Get Together is back!

Save the date! The Great Get Together, a fabulous, free community celebration is back and will take place on Saturday 1st July.

The Great Get Together is inspired by and showcases the best of east London, bringing together music, dance, arts, sports and food for everyone to enjoy.

This year there will be a number of community organisations and groups delivering activities and

performing on the stages. The ever-popular East Bank Zone, in collaboration with industry-leading East Bank partners, will return with a range of fun and engaging activities for all the family to take part in.

Whether you want to be entertained, get creative or get up and take part - come along with your family and friends!

The event is supported by Foundation for Future London's Westfield East Bank Creative Futures Fund, funded by Westfield Stratford City, and the Foundations Programme, co-funded by City of London.

Improvements to Stratford Walk

The entrance to the Park from Endeavour Square is changing as new landscaping, benches and lighting are installed. Stratford Walk is part of the preparation for East Bank which will start to open later in 2023.

Daytime pedestrian access will be maintained at all times, but there may occasionally be overnight closures as part of the programme.

The work includes the replacement of the lift outside the London Aquatics Centre. This is expected to start on 17th April and last until June. Please follow the diversion route across Thornton Bridge for step free access.
